

Universal Infocom

has been certified to meet the requirements for IndiaMART
TrustSEAL upon verification of legal and statutory records.

Valid from September 2011 - August 2012

More reason to trust on **TrustSEAL Verified Company**

TrustSEAL is a business verification service introduced by IndiaMART.com that checks an SME's credibility and trustworthiness. This stamp is issued post verification of company's credentials pertaining to proof of existence, legal status, statutory approvals, affiliations and quality certifications.

The authentication is conducted by **CRISIL**, a Govt. approved credit rating organization. CRISIL makes available a trust profile of the supplier post verification
